

MET-20 MULTI-END TRIM SAW

The Go Fast MET-20 is a high production, multi-head trim saw designed to boost your production into the fast lane!

MULTIPLE SAW HEADS: Available with up to (8) 20" circle saw blades with 5HP blade motors, 10HP optional.

VARIABLE INFEEED SPEED: Easily adjust the feed speed of your saw with the turn of a knob.

HD CHAIN COGGS: Tall chain coggs help convey material up to 5" thick through the saw blades.

ANTI-KICK FINGERS: A rack of solid steel anti-kick back fingers help ensure the safety of your operator.

WASTE AND OUTFEED: Both waste and outfeed conveyors come installed. One-piece flat-to-incline conveyors are optional.

EACH HEAD ADJUSTS WITH THE TURN OF A HANDLE: Each saw head is equipped with a handle. Simply turn the handle to adjust the length of cut.
